

Continuing the Connection

Join fellow California IECMH Consultant Training Program (CTP) Graduates in Virtual Reflective Support Sessions

A new virtual learning community for California IECMH CTP Graduates to connect, share, and learn.

What To Expect

- ▶ Reflective discussion and peer connection
- ▶ Exploration of real-world practice challenges
- ▶ Facilitated conversations, case examples, and vignettes
- ▶ Opportunities to deepen application of IECMHC principles
- ▶ Participant-driven topics and shared learning over time

Who Can Participate?

Graduates of the California IECMH Consultant Training Program.

Please note: Network consultants who were prior students are not eligible to participate, as they have access to the array of consultant supports offered through the Network.
