

IECMHC Network

Infant and Early Childhood Mental Health Consultation Network

Connect. Reflect. Grow.

Community Open-Door Sessions

Child Care and Early Education Providers,

join us each month to connect, reflect, and grow together in a virtual, drop-in space.

Open-Door sessions are confidential spaces where child care and early education providers can gather to reflect, seek supportive input, share ideas and resources, and network within a community.

IECMHC Network infant and early childhood mental health specialists or consultants facilitate these sessions.

You're invited to bring your questions, concerns, and challenges related to infant, toddler, and young children's social, emotional, and relational health.

Monthly groups are offered in English, Spanish, and Chinese with a new monthly session for Program Leaders.

- **Spanish Group:** 1st Monday of the month, 6–7 p.m.
- **English Group:** 2nd Monday of the month, 6–7 p.m.
- **Chinese Group:** 3rd Monday of the month, 6–7 p.m.
- **Program Leader Group:** 4th Monday of the month, 1–2 p.m.

Learn More and Register

Visit the [Community Open-Door page](#) on our website to learn more and register for an upcoming group.
